

This is your license to chill **JULY 3rd - JULY 7th**

HERE'S WHAT'S IN STORE:

July 3 - Monday - FINS UP

Let the festivities begin! We'll kick off the week with an exciting welcome party hosted at our beautiful Boat House restaurant. Mix and mingle with fellow members as you enjoy some delicious food and drinks, along with captivating live music performances sure to set the tone for an unforgettable week ahead.

July 4 - Tuesday - YOGA, FOAMY FUN, AND FIRE

Start your day with a centering yoga session in our Sky Wedding area at 8 a.m., then get ready for a fun-filled foam party with floating taco trays at the MVD pool. At 5 p.m., gather around our fire pit for some ice-cold beers, grilled delicacies, and expertly mixed cocktails. Then at 8 p.m., head to our poolside VIP zone to watch a captivating firework display while jamming out to hard-rocking musical performances.

July 5 - Wednesday - DON'T WORRY, BE HOPPY

Discover the art of making delicious beers when you join us for a unique brew master experience at the first and only LandShark brewery in Mexico. It's the perfect spot to enjoy smokehouse classics and our signature LandShark lagers, brewed on-site. Afterwards, sit down to a crave-worthy, family-style beer dinner paired with a unique mixology demonstration. End the day with plenty of dance moves during a silent disco. Prepare to immerse yourself in the world of beer!

July 6 - Thursday - MIX & MINGLE

Join a cocktail lesson at noon and learn how to sling spirited sips like a pro. Then unleash your inner artist during a paint workshop complete with tasty margaritas to help you get your creativity flowing. Emerald, Diamond, and Diamond Elite members can close out this spectacular day with a five-star dinner at Villa Casa Del Mar.

July 7 - Friday - ADIOS!

Cheers to an unforgettable week! We'll wrap up with an epic pickleball tournament at noon, followed by a lavish closing dinner gala at our Boat House where we'll reminisce on the amazing memories we've made together. There are certainly more to come.
